Investment Objectives

The Salita G Series portfolios represent our best ideas utilising our research and portfolio construction efforts. The portfolios have a CPI+ objective across the profiles as well as being benchmarked against the relevant Morningstar category benchmarks. The portfolios use active managers primarily with an allocation to passive in the Australian and international equity allocations. On a post-fee basis, we anticipate that active management can add value over the cycle and importantly protect the portfolio in down markets.

About the manager

Salita Portfolio Services Pty Ltd (Salita) is a wholly owned subsidiary of Entireti Limited, and a Corporate Authorised Representative of Personal Financial Services ABN 26 098 725 145, AFSL 234459 ("Licensee"). Salita conducts professional investment research and investment management services including constructing and managing portfolios and/or investment strategies for model portfolios, managed accounts/ separately managed accounts (SMA) or other similar constructs.
